# Welcome to Our Home

Dear NFA Competitors,

Welcome to the University of Wisconsin-Eau Claire, nestled right in the Chippewa Valley, surrounded by rolling hills and the beautiful Chippewa River. We hope you enjoy your stay here and have a chance to appreciate the beauty that this part of the country has to offer.

The students of CJ351 have been working all semester to make this an event to remember. We have chosen "Home is NFA" as the theme this year, and have incorporated it in all aspects of the competition. We hope that you truly feel that you're home this year at NFA, and embrace "home" here in Eau Claire with your fellow competitors.

We wish you luck throughout the competition, and we'll be here cheering you on. We will also be available throughout the tournament if you find that you run into challenges, or simply cannot find your room. Feel free to reach out to us if you have questions.

Sincerely,  
The students of CJ 351

Dear NFA Participants,

On behalf of our more than 10,500 students and 1,200 faculty and staff, welcome to the University of Wisconsin-Eau Claire. This is a special year for our university as we are celebrating our Centennial. We also are celebrating 100 years of forensics — a program that has long been emblematic of our credo "Excellence." Many Blugolds have earned top honors in state, regional and national forensics competitions.

This is the second time UW-Eau Claire has hosted the NFA National Tournament, and we have been proud participants in the tournament for all but the first two years of its existence. I want to extend special thanks to Director of Forensics Karen Morris, this year's NFA President, her students, and the Department of Communications and Journalism for helping to organize and host this premiere event.

You represent the best of the best among collegiate communicators and I salute you for the hard work, long hours and dedication that have led you to this competition.

While I know you will be very busy competing, I hope you are able to enjoy the beauty of our campus (please pardon our construction) and sample some of what our greater Eau Claire community has to offer. Nearby downtown Eau Claire has a variety of stores, restaurants and coffee shops, including live music venues. Phoenix Park, along the banks of the Chippewa River, offers walking trails as well as places to relax and reflect.

We are a campus and community known for its friendliness — so if you have questions about where to eat or find a particular store, service or activity, please don't hesitate to ask. The theme of your tournament this year is "Home is NFA," and it is our sincere desire to make you feel at home while you are here.

Best wishes to all teams for a successful and satisfying tournament.

Sincerely,

James C. Schmidt

Chancellor

Dear NFA Family,

Home is where the heart is and my heart has always been with NFA. NFA to me has always meant "family". NFA has always been the Nationals where every team member could contribute to the team's success. NFA is the tournament where you have to live and breathe and eat with your team for five long days and still love them. NFA has always been the National Tournament where the novice competitor gets hooked on forensics and decides to come back next year when just a month before they were thinking about ending this season and saying goodbye to an activity they didn't think was for them. NFA is the Nationals where you cheer just as loudly for individuals as you do for teams. NFA is the Nationals where you hear the thunderous double clap for all Quarter-finalist, Semi-finalist and now Octafinalists. NFA is the Nationals where good things happen to good people. NFA is the National Tournament that brings the world of LD and I.E. together for five glorious days. NFA is the only National Tournament that I would host twice. It is the only National Tournament I would host while the UWEC campus is in full swing. I cannot wait for my UWEC family to meet my NFA family.

I am thrilled that you have come to NFA this year. If this is your first NFA, I hope you will discover that familiar feeling of NFA. If this is your second NFA, I wish you all of the good fortune, competition, bonding, learning and growth that this National Tournament has to offer. If this is your third NFA, enjoy it, as it will be gone before you know it. If this is your fourth NFA, then you really are family and once NFA, then always NFA. Make a memory in your last year as a competitor and start to make plans now about how you can continue your journey and relationship with NFA as a judge, coach, committee member, officer or even host.

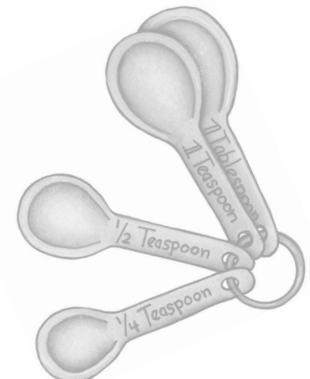

And so no matter if you are a competitor, a judge, a UWEC Alumni, a faculty member or a supportive parent, welcome home to NFA. Go ahead and take off your coat; stay for a day (or five).

So glad you are here,

Karen Morris

National Forensic Association  
University of Wisconsin, Eau Claire  
National Tournament Participants

It gives me great pleasure to be able to greet all of you that are attending this National Championship Tournament. If I am not mistaken, this is the second time that NFA has been hosted by UWEC. I know that Director of Forensics Karen Morris and her Assistant Director, Kelly Jo Wright, have worked hard for several months to make sure you will all have a good experience – what some may call a “Friendly Wisconsin Welcome.”

As your Past President I am glad that I can still be part of this outstanding Association. During the years, which are many, that I have been involved with the activities and work of the NFA, I have been able to form many strong relationships with so many involved with NFA. I hold in my heart very special memories with not only the coaches and directors of forensic programs around the nation, but also with hundreds of students that have competed in this event.

What you are experiencing here is possible because there have been many individuals that have served this organization to make it one that showcases outstanding performances of students across the nation. There are so many dedicated forensics educators that have given service to NFA. Eddie Myers is the first that comes to my mind – he was an outstanding coach and also served as the Tournament Director for a number of years. Another individual is Vicki Karns, who was very involved in the early years along with Ed Harris, Christine Reynolds, and even the founder of NFA, Seth Hawkins and many more over the years. A few of those people are here attending, and I know they would enjoy hearing from all of you when the opportunity presents itself during the tournament.

As your Past President I am extremely pleased to continue to be involved in working with all of the individuals on the National Council. The Council has worked and is working to make sure this Organization continues to grow and be of service to the Forensic Community. Enjoy the next several days, and when you can, remember to thank your coaches and any others that you feel have contributed to your growth in the understanding and delivery of effective community skills.

Yours Truly,

Larry Schnoor  
Past President NFA  
Emeritus Professor, MN State University, Mankato

Dear NFA Participants,

As a proud alumnus of the University of Wisconsin-Eau Claire Forensics program, please accept my warm welcome to the 2017 NFA Tournament.

Competing in college forensics was one of my fondest and most formative experiences. Through forensics I, like many of you, learned how to hone my skills as a communicator; forged strong personal bonds (I met my wife!) that have lasted many years; and developed an understanding that while winning isn't everything – it sure can be satisfying!

One of the great benefits of participating in tournaments like NFA is the opportunity to get to know teams and individuals from throughout the nation. You have invested tremendous time and energy to arrive at this place. Make the most of it. Enjoy your time together. Put forth your best effort. Appreciate the talents of all participants.

I know from experience that you will not have a lot of “down time” during the tournament – but if you do, I hope you are able to enjoy the beauty of our campus and community. Take a stroll through Putnam Park that runs through campus, stand on the footbridge and soak in the vistas of the Chippewa River (don't be surprised if you see one of our resident Bald Eagles), or climb “The Hill” just for fun!

You may notice a display trophy case in Hibbard Hall containing some of the many trophies the UW-Eau Claire team has been fortunate enough to win over the years – including an NFA sweepstakes trophy while I was a member of the team way back in 1977.

The memories of that tournament are still vivid in my mind. Time to make your own NFA memories!

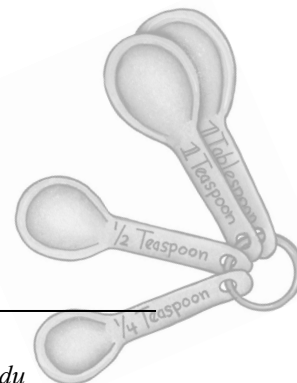

Best wishes for a fun and successful tournament.

Dear NFA participants:

Welcome to the University of Wisconsin—Eau Claire for the National Forensics Association (NFA) National Championship. As a graduate of the UW—Eau Claire School of Nursing who wound up doing something completely different thanks in no small part to forensics, I hope you will enjoy your visit to the Chippewa Valley that has done so much for a country boy like me.

I especially welcome you in the name of forensics. I never achieved the level of proficiency you have demonstrated in order to earn your participation in this national competition, and as such I can only offer my humble congratulations.

On the other hand, forensics utterly and unexpectedly changed my life. Despite my background as a rural farm kid and eventually a registered nurse, I quite unexpectedly wound up making a living as a writer, speaker, and performer. How fortunate for me, then, that during my formative years I learned to present myself in public by participating in forensics (hats off to my junior high English teacher—she gave me the nudge, when all I cared about was pickup trucks and football). To this day, when I stand behind a podium, or take the stage, or head out on book tour, I am drawing on skills and opportunities developed through forensics.

I wish you well in the competition, but above all I thank you for your dedication to forensics, which in the final analysis is about personal communication in real time—a critical element in forging the connections upon which our unexpected futures rely.

Respectfully,

Michael Perry

## **Non-Denominational Service:**

We will have a Non-Denominational Easter service from 7:00-7:45 AM in The Chippewa room at the Clarion Hotel. Musical talent will be provided by University of Wisconsin– Eau Claire String Players. Message by Bradley University Alumni/UWEC Coach Ryan Morris (NFA Duo Champion '98).

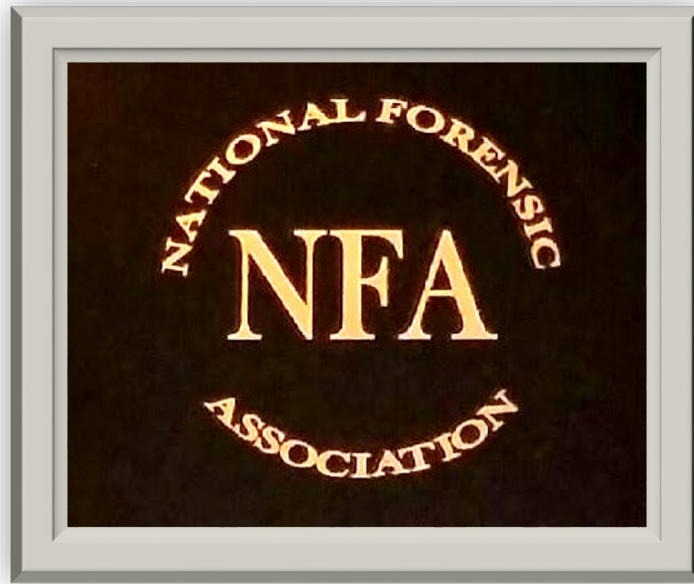

## **Easter Festivities:**

We are also having an Easter egg hunt all day on Sunday! We will have eggs filled with candy that will be hidden around campus for students to find. There will be a photo contest for students to participate in. You need to use the hashtag #NFAEggHunt and post pictures finding the eggs on Instagram, Facebook and Twitter. We will pick one picture from each social media site to win a \$10 Starbucks gift card. That means there are three chances to win! The more pictures you post on each social media site, the better chance you have of winning, but make sure you use the hashtag to enter! The winner will be announced on social media.

**#NFAEggHunt**

In 1971, Dr. Seth Hawkins, concluding that the needs of the forensics community warranted a National I.E. Tournament invented a national championship in individual events, declared it official by fiat and sent invitations. The tournament featured Prose, Poetry, Extemporaneous, Impromptu, After-Dinner Speaking and Oratory. The following 23 schools were in attendance: American University (DC), Ball State University (IN), Defiance College (OH), Eastern Kentucky University, Eastern Michigan University, Evangel College (MO), Georgetown College (KY), Heidelberg College (OH), University of Kentucky, Lehigh University (PA), University of Southern Maine, University of Maryland, Miami University (OH), Niagara University (NY), Ohio University, Ohio Northern University, Purdue University (IN), Sheperd University (WV), Southern Connecticut State University, St John's College (NY), St. Rose College (NY), West Chester University (PA) and Wright State University (OH).

In 1973, A draft constitution for the National Forensics Association was written in January to create a governing body for the I.E. Tournament. The constitution was accepted at the tournament in April at Eastern Michigan University

Since 1971, the growth of NFA is evidence of the Association's devoted mission of expanding and enhancing collegiate educational opportunities in speech communication nationwide. The NFA continues on in its rich traditions of excellence in the forensics competition with the help of a much devoted and dedicated team.

In the 46th edition of the NFA Tournament Book, we are proud to provide you with a continuance of traditions of excellence in forensics competition.
